Tools and Solutions that Simplify the Entire Shipping Process

FedEx Ship Manager™ at fedex.ca

FedEx Ship Manager at fedex.ca enables you to create shipping labels online quickly and easily, with time-saving features. The address book can be used to create or import up to 2,000 frequently used names and addresses. Use email notification to advise shippers, recipients, and others when your package has been sent, delivered, or affected by a critical event. Create shipment profiles and set preferences to make shipping even faster.

FedEx InSight®

With FedEx InSight, you can proactively monitor all of your inbound and outbound shipments, as well as third-party shipments billed to your account, all without a tracking number. To use FedEx InSight, go to fedex.ca. Under the *Track* tab, click "Login to FedEx InSight" in the drop-down menu and follow the simple steps. Use the FedEx InSight tutorial at fedex.ca/insight.

FedEx Tracking

To track the status of a package, go to fedex.ca and enter your tracking number in the "Track" box. It's that simple.
